AUGUST - SEPTEMBER 2015 NEWSLETTER

Hi Every one, hoping you're all going well.

So how'd you go with your goal making exercises over the past few months? I certainly had my ups & downs, but I didn't give up. If one way didn't work, I crossed it off, googled a new app & started again. If you're looking for some ideas to get back on track, a weekly planner I downloaded called "The Confident Mom" by Susan Heid has been really helpful.

The past year my work space & business has tried a few different directions. From new floorplans to new services & people. But after careful consideration I've decided to go back to basics & do what I've enjoyed the most which is spoiling my clients...

Cheryll & Libby have embarked on new journeys in life which I wish them all the best with, so I'm back to having the rooms all to myself. I loved having them here, but I must admit I do really love the peacefulness & extra space I have again too. ☺

So if you've had enough of this chilly winter & want some warm & fuzzy pamper time, give me a call & book in soon. I'd love to catch up with you. All the best & talk soon, Jennie Gipp

Brain Teaser

Last answer was 'snake'.

See how you go this month...

I have 4 wings, but cannot fly,
I never laugh & never cry,
In the same spot, I'm always found,
Toiling away with little sound...

What am I
