## FEBRUARY – MARCH 2013 NEWSLETTER

Hi Everyone, Hoping you're all well & had a wonderful Christmas / New Year. I can't believe we're already in February. January flew past in a blink of the eye. This newsletter I want to share some ideas, new products & services with you about helping your feet. That's right, remember those two little things at the end of our legs that carry us every day. Wouldn't it be nice to give them a treat for all their hard work? Brainteasers are also back, so put your thinking caps on, grab a cuppa & happy reading. See you soon, Jennie

### **MAGIC FEET PEELING BOOTIES WHAT ARE THEY...**

This product helps get rid of callused, cracked & dry skin on the feet very quickly. It's a set of booties that are worn once for 1-2 hours. They contain a special peeling gel that helps the excess dead skin on your feet to dissolve & peel away over the next 1-2 weeks. Basically you'll shed the old skin like a snake, allowing fresh new clear skin to appear. It sounds gross but the results are supposedly worth it. I've just applied it to myself this week so I can give you my personal review on the product. Stay tuned for more details..  
RR \$19.95
