

January 2012 Newsletter

Hi Everyone,

I hope you had a wonderful Christmas & ready for what will be an exciting new year. I've got a fantastic new product called "Shellac" which I can't wait to tell you about. Plus some supersavers I'm sure you'll love for January. I've also had a look at my price structure & have actually lowered some of my services including mens waxing, facials & ear candling. Check out the website for more details. Apart from that, happy reading & I'll see you soon. Warmest Thoughts, Jennie

WHAT'S NEW – SHELLAC GEL POLISH

Gosh I wish I'd come across this product earlier. I've been wearing it for a month now & can't fault it at all. Originally I thought it was just another soak off gel. But it's not, hence my latest investment. It has patent pending "uv3" technology. What's great about this is that it's truly a no file system, that can be easily soaked off. Meaning there's no need to rough up the natural nail plate prior to any applications, as with my previous system. Plus the colour will last at least 14 days before reapplication is needed. I know, I'm like a kid with a new toy.... Come in & try it, I'm sure you'll love it too ☺ PS: I'm running a great special for January, check it out.
