### Hi Everyone,

Hoping you're all well. It's official winter has started. The rains have come & so has the cold winds. But don't worry, I've got some great winter warmers for you to try in June.

My favourite thing is a facial. It's sooooo nice and relaxing, plus it's great for the skin too. I have 3 facials in my standard pricelist, using the Immaculate professional skincare range. Or for June you can try a special "Nude by Nature Cleansing Facial" for only \$30.00 and receive a bonus discount on any take home products & starter kits.

I have also just trialled a massage with one of my clients Rose Keir who is trying to build her home business in Narree Warren North. She is fully qualified and a member of the Massage Association of Australia with many years experience in massage, reiki, reflexology & readings. Please see her special below for more details....

My hairdressing sister Cheryl is still going well here on Saturdays & has a special offer for my wonderful clients this month. Check it out below...

Apart from that, have a warm cuppa & give me a call for some pampering. Talk soon, Jennie ☺

### What are they & how do they work?

## PARAFFIN TREATMENTS

Paraffin Treatments are one of the most effective ways of applying deep heat to relieve pain & soften the skin. It's great for arthritis, joint relief & nourishing very dry skin.

**Procedure:-** Your skin is prepared with a lovely salt scrub, massage & lotion. Next a special paraffin wax mask is moulded over your hands or feet & left on for 10 mins. This creates a mini sauna, which opens the pores causing us to sweat & get rid of toxins. At the same time, the paraffin hydrates the skin & helps increase circulation. Lastly the mask is gently removed by sliding it off like a sock leaving your skin feeling soft, hydrated & radiant. So nice...
